Hi...

I am Arun Basil Lal, not a money making guru but a passionate blogger. If you downloaded this pdf to see how you can make some quick cash, you are going to find the quickest way to see some cash.

But there is one trouble if you are not in America. What you are going to get will be in US dollars. Oh, if you need it in your own currency, you can always turn to [Google Image Search](#)

Let's start off...

Step #1: See money...

Here is a scan of 100\$. See it with your eyes open.

Step #2: Visualize Money

Close your eyes and dream. Think of what all you can do with this money. The Hawaii resorts, the cool crazy gadgets, and lots more... What you see with your mind, your body can achieve...

Step #3: Wake up

It's time to stop dreaming. Wake up and start working.

Step #4: Go to page 2 of this pdf

That's it, no more explanations. Just go to page 2.

Step #5: Action

Press Control + P on your keyboard and select 'Current Page' from the dialog box. Specify the number of copies as 10. Wow you just made a 1000 dollars. :P

Happy April Fools Day 😊
